

# Waverley Cycle Forum

## About the forum

---

The Waverley Cycle Forum meets four times a year, bringing local cyclists, councillors and council officers together to review and discuss cycle issues in the Borough. A major part of the Forum's work has been drafting the Waverley Borough Cycle Plan which was adopted by the borough council in April 2005. To view the Cycle Plan, click here (<http://www.waverley.gov.uk/planningpolicy/cyclingplan.asp>).

The Forum is also responsible for defining, prioritising and reviewing the development of cycle facilities in the borough, though ultimately councillors authorise the funding of schemes. For more detailed description of the Forum's responsibilities and working, see the Forum's Terms of Reference ([http://www.weyto.org.uk/Downloads/forum\\_tors.rtf](http://www.weyto.org.uk/Downloads/forum_tors.rtf))(this is a word document download).

If you would like to be part of the Waverley Cycling Forum or would like more information, email the chairman of the Waverly Cycling Forum here.
